Hampshire | PO9 2NT | [www.totalcompositesolutions.com](http://www.totalcompositesolutions.com)

*Andy Pointon, Managing Director of Total Composite Solutions comments, “We are delighted to be making our debut at the Composite Engineering exhibition together with our partner company, GRP Solutions. Along with our full solution strategy for our target markets, this year’s show will focus on the advanced and unique prepreg systems manufactured by Microtex SRL, Advanced resins systems from Ashland, and bonding solutions from our partner Bondloc.*

*We look forward to welcoming new and old friends to stand R95.”*
